(C) Eligibility of Members

(1) Every member whose dues are paid up through the month prior to the month in which the nominations or election is held shall have the right to nominate, vote for, or otherwise support the candidate of his choice. No member whose dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to nominate, or vote for, a candidate for office in the Local Union, by reason of a delay or default in the payment of dues by the employer to the Local Union.

(2) To be eligible for election to any office in this Local Union, a member must be in continuous good standing in this Local Union and actively employed at the craft within the jurisdiction of the Local Union for a period of twenty-four (24) consecutive months prior to the month of nomination for said office, and must be eligible to hold the office if elected. “Continuous good standing” means compliance with the provisions of Article X, Section 5 of the International Constitution concerning the payment of dues for a period of twenty-four (24) consecutive months, together with no interruptions in active membership in this Local Union because of suspensions, expulsions, withdrawals, transfers or failure to pay fines or assessments. However, a member on dues checkoff whose employer fails to make a proper deduction during any month in which the member has earnings from work performed during the month from which the dues could have been deducted, or has earnings from which the employer normally makes a dues deduction pursuant to the contract or established practice, shall

Section 16

not lose good standing status for that month. In such an event, the Local Union shall notify the member of his employer's failure and payment shall be made by the member within thirty (30) days of said notice in order to retain good standing status. Provided, however, that if a member on withdrawal deposits his card in the month immediately following the month for which it was effective and pays his dues for both months in a timely manner as provided in Article X, Section 5(c), such period of withdrawal shall not be considered a break in continuous good standing in the Local Union.

Payment of dues after their due date shall not restore good standing status for such month or months in computing the continuous twenty-four (24) months good standing status required by this Section as a condition of eligibility for office. No member shall lose his good standing status for any month in which his dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provided for in a collective bargaining agreement by reason of delay or default in the payment of such dues by the employer to the Local Union.

Failure of a Local Union to issue a withdrawal card shall not be conclusive proof that a nominee was actively employed at the craft within the jurisdiction of the Local Union during the required twenty-four (24) month period prior to his nomination if a challenge is made based on evidence to the contrary, in which event a determination shall be made on the facts presented. Periods of unemployment during the twenty-for (24) month period preceding the nomination shall not be considered

a break in active employment at the craft within the jurisdiction of the Local Union if the nominee was actively seeking and available for employment in the craft, and not working outside the craft during such periods of unemployment.

Members in a reserve component of the military or National Guard who are called to active service lasting more than thirty (30) days but not more than twenty-four (24) consecutive months, may have their eligibility determined in accordance with Article II, Section 4 (a) (4) of the International Constitution.

(D) Nomination Procedures

(1) Nominations shall be held in accordance with provisions of Section 16 (A) above at a general or special membership meeting or meetings or at a meeting or meetings of each separate division, craft or place of employment authorized by the Local Union Executive Board to hold separate meetings. If nominations are held at separate division, craft or place of employment meetings, the members may nominate candidates from their own or any other division, craft or place of employment for election to Union office. Nominations and the conduct of the election and related questions shall be the first order of business at the nomination meeting and complete minutes shall be kept of the business. Nothing in this provision shall prohibit the holding of a special meeting at which meeting nominations and the conduct of elections shall be the sole order of business. Nominations shall be taken at the scheduled time and date even if there is no quorum present as required by these By-Laws.

Section 16

(2) Nominations shall be made at the meeting by a member in good standing other than the nominee by a motion seconded by a member in good standing other than the nominee.

(3) Nominations shall not be closed until a call for further nominations has been made three (3) times by the Chair without further nomination being made.

(4) If an election committee is used, after nomination each candidate for the office of President and Secretary-Treasurer may designate one (1) member for service thereon who shall thereupon be appointed by the President.

(5) In the event only one (1) candidate is nominated for any office, no election shall be conducted for such office unless required by law, and such unopposed candidate shall be declared elected by acclamation at the nominations meeting, effective as of the conclusion of the term of the previous incumbent.

(6) A member otherwise eligible to run for office shall become a bona fide candidate only upon his nomination for office and acceptance of the nomination. To be eligible to nominate and otherwise participate in the nomination meeting, a member must have his dues paid through the month prior to the month in which the nomination meeting is held. Candidates must accept nominations at the time made either in person, or, if absent, in writing, and may accept nomination for only one (1) office. After a candidate has accepted nomination, he may not, under any circumstances, revoke his acceptance after the ballots are printed, except where as a result of the revocation the remaining candidate is unopposed.

(7) Every member eligible to nominate candidates shall be entitled to nominate one (1) candidate, but only one (1), for each office open. Prospective candidates may not nominate themselves nor second their own nomination.

(8) If any nominee should die before the election, his name shall nevertheless appear on the ballot. In the event such name shall receive the requisite number of votes to be elected, the position shall then be filled in the same manner as vacancies are filled when they occur during a term of office as provided in Section 13(A) (4) of these By-Laws.

(9) If there is only one (1) nominee for an office and he is finally ruled ineligible after the nomination meeting, then the office shall be filled by appointment by the newly elected Local Union Executive Board.

(E) Elections

(1) After the nominations meeting, but not less than twenty (20) days prior to the election, specific notice of the date, time and place of the election and of the offices to be filled shall be mailed to each member at his last known home address, if no notice has previously been sent. The election shall be held at such place or places and at such time, not earlier than thirty (30) days after the nomination meeting, as may be designated by the Local Union Executive Board. The elections shall be by secret ballot to be placed in boxes, unless the Local Union Executive Board has authorized the use of some standard type of election mechanical device insuring a secret ballot by machine vote, the election box or boxes or machine or machines, however, to be located at a place or places designated by the Local Union

Section 16

Executive Board; balloting shall be open for a period not less than six (6) hours between the hours of 8:00 a.m. and 8:00 p.m.; and it shall be the duty of the Local Union Executive Board to provide safeguards for the honest and fair conduct of such election.

(2) Voting shall be conducted by secret ballot among the members in good standing. There shall be no proxy voting. Each such member shall be entitled to one (1) vote. The Local Union Executive Board shall have the authority to establish all rules and regulations for the conduct of the election to supplement the provisions of the International Constitution and the Local Union By-Laws, including the authority to use mail referendum balloting or absentee balloting without membership approval. The General President shall also have the authority to direct the use of mail referendum balloting or absentee balloting without membership approval, any action of the Local Union Executive Board to the contrary notwithstanding. Absentee voting by mail shall be permitted only upon application of members who are ill, or absent from the city or town where they are normally employed at the time of voting, because on vacation or on employment tour of duty. The Local Union executive Board may permit additional reasons for absentee balloting if they so desire. Application for absentee ballots shall be made to the Secretary-Treasurer not less than five (5) days prior to the date set for election and shall contain the grounds therefor. Absentee ballots shall be valid only if they are received by noon of the day on which the polls close. Absentee voting shall be conducted with all proper safeguards for secrecy of the ballot. Voting by writing in the name of a person who was not duly

nominated shall not be permitted. Any ballot shall be declared void if it contains any mark other than the voting mark.

(3) Each candidate, at his own expense, shall have the right to have an observer other than himself at each polling place and at the counting of the ballots who must be a member of the Local Union in good standing. Observers may challenge the eligibility of voters for good cause, and all challenged ballots shall be sealed in an envelope with the name of the voter thereon. Challenges shall be investigated to determine their validity, if the challenged ballots are sufficient in number to affect the result of the election. The blank envelope containing the ballot shall not be opened until such time as all challenges have been ruled upon. Upon request of any candidate, deemed reasonable by the Election Committee, voting machines, if used, shall be checked for proper operation. Candidates shall have the right to be present at the counting of the ballots.

(4) To be eligible to vote in the election, a member must have his dues paid through the month prior to the month in which the election is held. The candidate for each office who receives a plurality of the votes cast for the office shall be elected thereto except in the case of trustees in which case the three (3) candidates receiving the highest number of votes shall be elected. In the event of a tie vote the candidates shall resolve such tie by lot, except in the case of a tie for the office of principal officer of the Local Union, in which case there shall be a re-election between only the candidates who have tied for the highest number of votes and only for that principal office. The officers-elect may be installed at the same meeting at which they

Section 16

are elected or, if not elected at a meeting, at the next meeting following their election. The officers-elect shall take office at the end of the term of the incumbent officers, regardless of the date of installation, which installation may take place at either the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. Except as provided above, no runoff election shall be held.

(5) No officer may run for another office in this Local Union, the term of which covers part of his current term, unless he resigns from his current office effective upon the certification of the results of the election. He shall announce his intention to resign not later than fifteen (15) days prior to the nomination meeting and will not be eligible for appointment to the vacancy created by his resignation. No officer may hold another office in any Local Union (other than a trustee Local Union) during his term of office except by authorization of the General President and the Local Unions involved.

(6) There shall be no write-in candidates and any ballot containing a write-in candidate shall be void insofar as the vote for that office is concerned and such ballot for that office shall not be considered as having been cast in determining the vote for that office.

(7) During the period between the date of election and the end of the term of office no extraordinary expenditures of Local Union funds shall be made, and no action shall be taken that commits the Local Union to make such extraordinary expenditures in the future, without the approval of the officers-elect and the membership. An expenditure shall be considered

extraordinary if it falls within the definition set forth in Article XXII, Section 4(e) of the International Constitution. In the event the election results in a new complement of officers, the outgoing officers must comply with the restrictions in Article XXII, Section 2(b) of the International Constitution regarding entering into contracts for personal services.

(F) Duties of Secretary-Treasurer in Connection with Nominations and Election

(1) The Secretary-Treasurer shall at least twenty (20) days prior to the holding of the nominations give notice, as above provided, to the membership of the time, place and date and the offices for which nominations will be in order in connection with the election. Such notice shall be given in the manner determined by the Local Union Executive Board, consistent with these rules.

(2) The Secretary-Treasurer shall review the eligibility to hold office of any members at such member's request and shall make a report on the eligibility of that member within five (5) days thereafter to any interested member.

(3) Unless a joint nomination election notice was sent, the Secretary-Treasurer shall give written notice to the membership of the Local Union, at least twenty (20) days prior to any election date, of the time, place, date, hours, and number of offices upon which voting shall be held, by mailing such notice to the member's last known address.

(4) Upon reasonable request of any declared and eligible candidate for office, the Secretary-Treasurer shall arrange for

Section 16

the distribution of any campaign literature by mail, or otherwise, provided that such candidate pays the reasonably estimated cost involved in advance. The Secretary-Treasurer shall not delay the distribution of any candidates mailing. Any reduced rate mailing permit available to any candidate shall be made available to all candidates on an equal basis. The Secretary-Treasurer may require that all campaign literature shall be presented to him at the principal office of the Local Union not later than seven (7) days prior to the date of the election and may, where in his judgment it appears necessary, provide for a consolidation of such distribution in which case the cost of such distribution shall be assessed upon the candidates involved on a pro rata basis.

(5) The Secretary-Treasurer to the extent required by law shall upon reasonable notice make available for inspection by any bona fide candidate the membership list of the Local Union covered by union security agreement once within thirty (30) days prior to the election date. No candidate shall be permitted by the Secretary-Treasurer to copy any names or addresses of employees shown on such list and such inspection must be made in the presence of the Secretary-Treasurer or his designee.

(6) The Secretary-Treasurer shall retain copies of all requests for distribution for campaign literature and copies thereof, shall make a record of the date the literature was distributed, the cost thereof and the amount received, and shall also retain a copy of the notices of nominations and of the election, a copy of the ballot, the official tally sheet submitted by the tellers, all ballots and such other records all voted and

Section 16

unused ballots, ballots return envelopes and such other records including election rules as shall relate to the conduct of the election. All copies and records shall be retained for one (1) year, including election rules as shall relate to the conduct of the election.

(G) Nomination and Election Protests

(1) Any member who desires to challenge a ruling on eligibility to run for office shall appeal, in writing, within forty-eight (48) hours after receipt of the ruling to the General President, or his designee, who shall decide such an appeal within seven (7) days after receipt of the protest. In the event there shall be any protest or changes made concerning an election by any member prior to the holding of the election, such protest or charge shall be made in writing by such member within forty-eight (48) hours of his knowledge of the event complained of prior to the election and shall specify the exact nature and specifications of the protest. Such protest or charges shall be made to the Local Union Secretary-Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable to the General President, pursuant to the provisions of Article VI, Section 2, of the International Constitution.

(2) In the event there shall be any protest or charge by any member concerning the conduct of the election after the election has been held, such protest or charge shall be made in writing by such member within seventy-two (72) hours after the final tally of ballots setting forth the exact nature and specification

of the protest and his claim as to how it has affected the outcome of the election. Such protest or charge shall be made to the Secretary-Treasurer of the Joint Council with which the Local union is affiliated and Executive Board for disposition. The decision of the Joint Council Executive Board shall be appealable to the General Executive Board for final decision, which is not appealable to the convention, in accordance with the provisions of Article XIX of the International Constitution to the extent that such provisions may be applied to an election protest or charge.

(3) If votes are challenged, such challenge shall be made in writing at the time of the election with specific reason given for such challenge.

SECTION 17 DUES AND INITIATION FEES

(A) The minimum monthly dues of this organization shall be calculated on the basis of the formula set forth in Article X, Section 3(d) of the International Constitution. In no event shall monthly dues be less than the minimum established in the International Constitution.

(B) Initiation fees for membership in this organization shall be as follows, provided that the fee may be waived or reduced in connection with the organization of unorganized employees at the discretion of the Local Union Executive Board and may be increased as provided in paragraph (F) below.

FREIGHT (A)	CAR HAUL (A)	INDUSTRIAL (A)
\$353.00	\$353.00	\$177.00

Section 17

(C) Reinitiation fees shall be in the same amount as the regular initiation fees.

(D) Any member who shall be three months in arrears in the payment of dues, fines, assessments, or other charges, shall automatically stand suspended at the end of the third month and shall not be entitled to any rights or privileges of membership. Any member who has been automatically suspended for failure to pay dues and other charges shall be under a continuing obligation to pay dues during the period of his suspension. Upon payment of the delinquent dues and reinitiation fee, the member shall be restored to good standing status. However, payment of dues shall not restore good standing status if fines and other charges due are not paid. The Local Union Executive Board shall have the power to waive, or reduce, on a non-discriminatory basis, the payment of delinquent dues, assessments and/or reinitiation fees.

(E) General or Special assessments and levies may be made from time to time in the manner provided hereafter.

(F) Any increase in the rate of dues or initiation fees, reinitiation fees or the levying of any general or special assessment by the Local Union shall be made at a general or special membership meeting in accordance with the following procedures:

(1) Reasonable notice shall be given of the meeting at which the membership will consider the question of whether or not such dues, initiation, or reinstatement fees, general or special assessment shall be increased or levied. The notice shall

Section 17 ~ Section 18

indicate that a proposed increase or assessment is to be voted on;

(2) At the meeting called as provided in this Section, voting shall be by secret ballot of the members in good standing;

(3) A majority vote by secret ballot of the members in good standing voting at such meeting shall decide the issue;

(4) This provision supersedes Section 28 (Amendments) with respect to changing the dues and fees set forth in these By-Laws;

(5) Nothing contained in Section 17 (F) of these By-Laws shall be construed to apply to action by the International Union or to limit the right of the International Union to release the dues of the membership, and the International Union shall not be subject to these provisions. The International Union shall in no way be subject to the provisions of Section 17 (F) of these By-Laws.

Section 18 MEETINGS

Membership meetings shall be general or special.

(A) General Membership Meetings

(1) General membership meetings may be held at such place and time as shall be designated by the Local Union Executive Board and when the Executive Board deems it necessary. Membership meetings may be suspended during any three (3) months between June and October by action of the membership at a meeting after reasonable

Section 18

notice of the intention to vote upon such question.

(2) Members in attendance at membership meetings shall have the right to express their views, arguments or opinions upon any business properly before the meeting subject to these By-Laws and the rules and regulations adopted by the Local Union Executive Board pertaining to the conduct of meetings, but no member in exercising such rights shall evade or avoid his responsibility to the organization as an institution or engage in or instigate any conduct which would interfere with the Local Union's performance of its legal or contractual obligations.

If it should appear to the presiding Chairman that any member is so conducting himself to constitute a threat to the orderly conduct of the business of the meeting, he may order him ejected, subject to appeal to the membership.

At any time when in the judgment of the presiding Chairman of the meeting it appears that the meeting has become so disorderly as to prevent proper deliberation on the matters which might properly come before the meeting, the presiding Chairman shall have the right to adjourn such meeting forthwith, upon his own motion, and without second, and even though there may be other motions upon the floor. There shall be no appeal from such action since it is taken as a result of conditions which would prevent orderly consideration for the appeal by the meeting.

The presiding Chairman can detail members or other persons to remove persons who have been order removed,

or to prevent attendance of members who are “under the influence” or disorderly without calling upon the police.

The rights of members to attend meetings, to remain in such meetings or to participate in matters which come before such meetings are subject to the above powers and duties of the presiding Chairman and of the Local Union Executive Board.

(3) The Local Union Executive Board is authorized to permit membership meetings to be held on a division, craft, place of employment or other similar basis as it shall consider appropriate considering the special needs of the organization so as to permit the membership to attend meetings and to express their views and otherwise exercise their rights as members. There shall be no limitation on the right of any member to be heard at any such separate meeting provided herein on all matters which apply to the general membership, but such member shall be permitted to vote only at such separate division, craft or place of employment meeting to which he has been assigned. Membership meetings permitted under this subsection shall be subject to all of the requirements of subsections (A) (1) and (2) above.

(4) When the Local Union Executive Board authorizes such meeting by division, craft or place of employment, each such meeting shall be conducted by the officers of the Local Union or by their designees and under the same procedures and rules as a general membership meeting, excepting only special meetings for limited purposes such as voting on contracts or strikes, handling of grievances, etc.

Section 18

(5) On all matters which apply to the general membership, the votes of the meeting of each particular division, craft or place of employment shall be totaled to determine the action of the Local Union in such matter.

(6) Members at each separate division, craft or place of employment authorized to hold separate meetings may nominate candidates from their or any other division, craft or place of employment for election to Union office; may vote separately on initiation fee, dues and assessments which may apply to them alone, if higher than the minimum applicable to the general membership; and may, when authorized by the Local Union Executive Board, vote separately on approval or disapproval of, or on matters arising under, contracts applicable only to them, and strikes or other activities in which only they will participate.

(B) Special Meetings

Twenty percent (20%) of the members in good standing of the Local Union may submit a written petition for a special meeting to the President of the Local Union, setting forth the reasons therefor, and the President shall call the special meeting within a reasonable time. If the Local comprises employees of more than one employer, then no more than half of such twenty percent (20%) shall be from the same employer. If the President does not call such meeting, the Local Union Executive Board shall call such meeting within fifteen (15) days of the original petition. The President may, on his own motion, call a special meeting. Reasonable notice of the date, time and place of any special meeting, and of the questions to be presented, shall be given the membership.

(C) Quorum

The quorum of a general or special membership meeting shall be fifteen (15). The Local Union Executive Board shall establish the number constituting the quorum for division, craft or place of employment meetings.

(D) Referendum

When a referendum is permitted by the General President, reasonable notice shall be given through the Secretary-Treasurer, of the time, date, place and question upon which the referendum is to be held. In a referendum, only members affected shall be permitted to vote concerning matters not affecting the entire membership. The Local Union Executive Board shall, at least ten (10) days in advance of the referendum, adopt rules and regulations for the conduct of the referendum subject to the approval of the General President.

(E) Every member eligible to vote in an election under Section 16 (C) (1) shall be eligible to vote on any question before the membership meeting or in a referendum.

(F) The Local Union Executive Board or the presiding Chairman at any meeting is authorized to exclude from any meeting any member against whom charges are pending.

If it should appear to the presiding Chairman that any member is so conducting himself to constitute a threat to the orderly conduct of the business of the meeting, he may order him ejected.

At any time when in the judgment of the presiding Chairman of the meeting it appears that the meeting has

Section 18

become so disorderly so as to prevent proper deliberation on the matters which might properly come before the meeting the presiding Chairman shall have the right to adjourn such meeting forthwith, upon his own motion, and without second, and even though there may be other motions upon the floor. There shall be no appeal from such action since it is taken as a result of conditions which would prevent orderly consideration of the appeal by the meeting.

If such action is taken by the presiding Chairman, the time and place for a subsequent meeting, if there is to be one, shall be determined by the Local Union Executive Board. If no such determination is made, then the next meeting shall be the next regularly scheduled meeting.

The Local Union executive Board may at any time prior to or at a meeting disqualify from attendance at such meeting those members as to whom it has reasonable cause to believe that their presence at such meeting will cause disturbance or disorder.

The presiding Chairman can detail members or other persons to remove persons who have been ordered removed, or to prevent attendance of members as above set forth, without calling upon the police.

The rights of members to attend meetings, to remain in such meetings or to participate in matters which come before such meetings are subject to the above powers and duties of the presiding Chairman and of the Local Union Executive Board.

Section 19 MEMBERSHIP

(A) An applicant shall be considered a member when he shall meet all the following requirements for membership:

(1) He shall have executed a written application for membership on a form provided by the Secretary-Treasurer.

(2) He shall have signed a dues checkoff authorization permitting the initiation fee to be withheld from earnings. If no dues checkoff authorization is signed, membership shall date from the first month for which dues are paid, once full payment of the initiation fee is completed. Or, he shall have tendered the initiations fee and one month's dues by cash.

(3) The Local Union shall have accepted his application and dues.

(4) He shall have taken the oath of obligation as a member at a regular or craft meeting unless dispensed with by the Local Union by policy or practice. In the event the applicant shall fail to take the obligation within a reasonable time following the acceptance of his application, he shall forfeit the monies tendered except for good cause shown.

(5) The first money received from an applicant for membership must be applied to the payment of dues for the month in which the applicant is first obligated to pay dues. If this Local Union permits an applicant to

Section 19

pay an initiation fee on a deferred basis, the installment payments must be allocated to first satisfy the member's dues obligation. All new members presenting themselves for initiation shall receive upon request a free copy of the International Constitution and Local Union By-Laws from the Local Union. However, any alleged failure to receive such copy shall not excuse a member from violation of any duty or obligation imposed upon him by his oath of office, initiation or membership.

(B) Good Standing

(1) A member shall lose his good standing membership in the organization by acceptance of a withdrawal card, by suspension or expulsion from membership after appropriate proceeding consistent with the By-Laws or the Constitution, or by non-payment of dues on or before the last business day of the current month. Members whose dues have been withheld by their employer pursuant to a voluntary check off agreement shall not be declared in bad standing merely because the employer fails to remit checkoff dues to the Local Union on or before the last day of the month. Payment of dues to an officer or steward authorized by the Local Union to collect such shall be deemed payment to the Local Union.

(2) A member in a suspended status because of his failure to pay his dues or other obligations as required by the International constitution and these By-Laws may reinstate his good standing by the payment of all delinquent dues and other financial obligations.

(C) Issuance of Transfer and Withdrawal Cards

(1) The issuance of transfer cards must be handled in strict compliance with Article XVIII, Section 1 and 2 of the International Constitution. The acceptance of transfer cards must be in accordance with the provisions of Article XVIII, Sections 2 and 4. The jurisdiction to issue honorable withdrawal cards must be handled in strict compliance with Article XVIII, Sections 6 and 7 of the International Constitution.

(2) In any case where the Local Union is required to give to a member an honorable withdrawal card under the terms of the International Constitution and these By-Laws, it may provide for the continuance of Local Union benefits to such inactive member under conditions which it may set forth, but such inactive member or former member shall not be permitted to hold office or vote, and shall have only such right to participate in the meetings and affairs of the Local Union as shall be permitted by the Local Union Executive Board.

(3) A withdrawal card shall be issued to any member, including a Local Union officer, who has retired, except that a member who continues to work at the craft, including employment with the International Union or any affiliate, shall be required to retain active membership.

(D) Upon the approval of these By-Laws by the General President, supervisory employees and such other classifications as the Local Union Executive Board may lawfully determine, shall take no part on committees

Section 19

selected to negotiate wages and working conditions with employers, and shall not be permitted to vote on any such agreement or on any vote to strike or take other action with respect to the agreement to which they may be subject or parties.

(E) Responsibility of Members to the Local Union

(1) Every member by virtue of his membership in this Local Union is obligated to abide by these By-Laws and the International Constitution with respect to his rights, duties, privileges and immunities conferred by them. Each member shall faithfully carry out such duties and obligations and shall not interfere with the rights of fellow members.

(2) Every member, covered by a collective bargaining agreement by his/her place of employment authorizes this Local Union to act as his exclusive bargaining power to execute agreements with his employer governing terms and conditions of employment and to act for him and have final authority in presenting, processing and adjusting any grievance, difficulty or dispute arising under any collective bargaining agreement or out of his employment with such employer, in such manner as the Local Union or its officers deem to be in the best interest of the Local Union, all subject to Article XII and other applicable provisions of the International Constitution relating to such matter. The Local Union and its officers, business representatives and agents may decline to process any such grievance, complaint, difficulty or dispute, if in

their reasonable judgment such grievance, complaint, or dispute lacks merit. The provisions of Article XII, Section 2 relating to area, multi-area, national, company-wide or industry-wide contracts, shall supersede any provision of this section.

(3) No member shall interfere with the elected officers or business agents of this organization in the performance of their duties, and each member shall, when requested, render such assistance and support in the performance of such duties as may be required by them, provided that this does not interfere with the individual rights of members. Each member and officer shall adhere to the terms and conditions of pertinent collective bargaining agreements and shall refrain from any conduct that would interfere with the performance by this Local Union of its legal or contractual obligations.

(4) No member shall engage in dual unionism or espouse dual unionism or disaffiliation, or be a party to any activity to secure the disestablishment of the Local Union as the collective bargaining agent for any employee.

(5) No member shall be permitted at any Union meeting or assembly to engage in any of the conduct hereinbefore described.

(6) Every member shall follow the rules of order at all meetings of the Local Union.

(7) Membership in this Local Union shall not vest any member thereof with the right, title or interest in or

Section 19

to the funds, property or other assets belonging to the Local Union now or hereafter and no member shall have a property right to membership in this organization.

(8) No member seeking to resign from membership in any Local Union may do so except by submitting such resignation in writing to the Secretary-Treasurer of the Local Union. Any member who resigns before he has paid all dues, assessments, fines and other financial obligations owing to any subordinate body shall be obligated to pay such obligations to his former Local Union. All members acknowledge that any obligations owing at the time of resignation shall be collectible by the Local Union in any appropriate forum. This shall not relieve any member of any obligation to comply with any other provision of this Constitution regarding acquisition or maintenance of membership in good standing.

(F) Rights of Members

Subject to reasonable application and subject to the right to impose broad disciplinary limitations on the membership, no provision of these By-Laws, rule of parliamentary procedure or action by the Local Union or its officers shall be administered in such a way as to deprive individual members of the following rights:

(1) The right to nominate candidates or vote in elections or referendums of the Union:

(2) The right to attend membership meetings, and to participate in the deliberations and voting upon the

business of such meetings, by craft or special or regular meetings as notified;

(3) The right to meet and assemble freely with other members and to express any views, arguments, or opinions and to express at meetings views upon candidates in an election of the union or upon any business properly before the meeting, subject to the organization's established and reasonable rules.

(4) For the purpose of Section 19(F) only, the term "meeting" includes any public meeting to which members of the Local Union are invited.

(5) All the rights of members set forth in Section 19 (F) shall be subject to the right of the Local Union to impose broad disciplinary limitations upon the rights of the members.

Section 20

CHARGES AND TRIALS

(A) Each member of this Union shall have the right to fair treatment in the application of Union rules and law in accordance with the International Constitution and these By-Laws. In applying the rules and procedures relating to union discipline, the essential requirements of due process of law (notice, hearing, and judgment based upon the evidence) shall be observed, without, however, requiring the technical formality followed in courts of law. Recognizing that these requirements of fairness and due process of law will be administered by groups of laboring men and women, this Local Union adopts

Section 20

the following procedures with the specific understanding that the following procedural guides which supplement the requirements of Article XIX of the International Constitution are designed to attain justice both to the individual member and the organization, and in instances where deviations from such procedures are not such as to substantially affect the members' substantive right, these procedures are not to constitute technically precise requirements of strict pleadings of courts of law.

(B) Trials and Appeals

(1) Trial. Every member charged with a violation of these By-Laws or the International Constitution shall be accorded a full and fair hearing as required by law. No member of the Local Union Executive Board involved in the subject matter of the charge shall sit on the trial board. The decision on disqualification under this provision, if raised by an interested party, shall be made in the first instance by majority vote of the Local Union Executive Board, whose decision shall be appealable as part of the case, in accordance with the appeal procedure of the International Constitution and these By-Laws. The officer alleged to be involved shall not vote on whether he is qualified to remain on the hearing panel. If the member charged or preferring the charges is a member of the Local Union Executive Board, or if a member of the Local Union Executive Board is unable to attend the hearing for any reason, then the principal executive officer of the

Local Union shall appoint an uninvolved member as a substitute. If either the President or Secretary-Treasurer of the Local Union is charged, or is preferring the charges, or is unable to attend the hearing for any reason, the other officer shall appoint the substitute. If both the President and Secretary-Treasurer of the Local Union are charged or are preferring the charges, or for any reason are unable to attend the hearing, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges by, or against a majority of the members of a Local Union Executive Board shall be filed with the Secretary-Treasurer of the Joint Council for trial by the Joint Council Executive Board. In no event shall any involved officer or member serve on a hearing panel, participate in the selection of a substitute member of a hearing panel, or participate in the decision making process of the trial body.

(2) Charges. Charges shall be in writing and signed by those filing same and must be filed in duplicate with the Local Union Secretary-Treasurer of the body which is to hear the charges, who shall serve the charges and notice of the hearing upon the accused either in person or by registered or certified mail at least ten (10) days prior to the hearing. No hearing on any charge shall be held less than ten (10) days from the date on which notice of the hearing has been served on the parties unless all parties agree to waive this requirement. In scheduling the time and place of the hearing, due consideration shall be given to the convenience of the accused and

Section 20

witnesses necessary in the case. The charges must set forth the provisions of the International Constitution or these By-Laws allegedly violated and the acts which allegedly constitute such violation in sufficient detail to inform the accused of the offense charged, including, where possible, dates and places. If charges are filed, the charging party must include in the charges all alleged offenses of which he has knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. He may not subsequently file additional charges based upon facts of which he had knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. Any charge based upon alleged misconduct which occurred more than five years before the discovery of the conduct giving rise to the charge is barred and shall be rejected by the Secretary-Treasurer except charges based upon the non-payment of dues, assessments and other financial obligations. No member or officer shall be required to stand trial on charges involving the same set of facts as to which he is facing criminal or civil trial until his final court appeal has been concluded. Nor shall a member or officer be required to stand trial on charges that are substantially the same or arise under the same circumstances as prior internal Union charges against such member or officer provided that a decision was rendered on those prior charges. Charges may be preferred against a suspended member or an ex-member who has been issued a withdrawal card.

(3) In the event of non-compliance with the decision handed down by a trial or appellate body, the member, elected Business Agent, or Officer of the Local Union shall stand suspended from all rights and privileges under the International Constitution until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal. If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.

(4) Rights of the Accused. Throughout the proceedings, there shall be a presumption of innocence in favor of the accused. In order to be sustained, the charges must be supported by a preponderance of reliable evidence and a majority of the members of the panel must vote to find the charged party guilty. The charging party, the accused and the Local Union Executive Board may select only a member of the Local Union to represent them at a hearing conducted before any trial or appellate body. Witnesses need not be members of the Union. The hearings shall be open to other members subject to the discretion of the Local Union Executive Board in maintaining order and in excluding witnesses except when testifying.

(5) Action by the Local Union Executive Board. The Local Union Executive Board shall have the authority to determine the manner of reporting the hearings and shall

Section 20

have authority to exclude any method not authorized by it. If the Local Union Executive Board decides to have a transcript or recording made, the Local Union Executive Board shall furnish a copy of the same to the parties upon payment of the cost for same, or shall make such copy available to the parties for copying or consultation without cost. Any request by a party that a verbatim record be made must be received by the Executive Board not later than five (5) business days prior to the scheduled commencement of the hearing and shall be honored.

If on appeal any appellate body makes a transcript or recording of the proceedings on appeal, such appellate body shall furnish a copy of the same to the accused and to other interested parties upon payment of the cost for same, shall make such copy available to any party for copying or consultation without cost. Within twenty (20) days after completion of the hearing, the Local Union Executive Board shall decide the case unless prohibited by legal proceedings. The decision of the Local Union Executive Board shall be in writing and contain the charges, its own factual findings and decision, and a notice to the parties informing them of the proper body to which they may appeal, and the time within which the appeal must be filed. A copy of the decision of the Local Union Executive Board must be forwarded to the parties without delay. A copy of all documents in the proceeding shall be kept available at the Local Union's principal office until final disposition is made of the case.

(6) Appeals. Appeals shall be taken pursuant to the provisions of Article XIX of the International Constitution.

Section 21 BONDING

(A) Every officer, agent, shop steward, employee or other representative of this Local Union who handles funds or other property of this organization shall be bonded in accordance with the requirements of the International Constitution and applicable statute. The amount of bond required of each person shall be ascertained by the Local Union Executive Board, and the premium charges shall be paid out of the general funds of the Local Union.

(B) If the Local Union Executive Board, in its sole judgment, believes that it would be to the advantage of this organization to join with the International and/or any or all of its subordinate bodies or affiliated Local Unions in obtaining a bond or bonds covering persons in this Local Union and such other organizations under a bond or bonds issued to said International Union or other subordinate body, then, in such event the Local Union Executive Board is authorized and empowered to enter into such arrangements and pay from the general funds of this Local Union the cost for bonding these persons in this Local Union, but such surety coverage shall conform to the requirements set forth in Section 21 (A).

Section 21 ~ Section 22

However, during the period such person or a new officer is not covered by such surety bond, the Local Union Executive Board shall make whatever arrangements shall be necessary to relieve such persons of the handling of any money or property of the Local Union.

(D) If an employee or officer referred to in Section 21 (C) cannot within thirty (30) days provide the surety bond required in conformity with the provisions of Section 21 (A), the Local Union Executive Board shall be authorized and empowered to permit him to remain in his office or position under such arrangements as it may consider reasonable, but shall not require or permit him to handle any of the money or control any of the property of the Local Union.
